Organization Number: 11162

Prairie Farms - Our Caps Your Cause!

Tazewell Woodford Head Start is now participating in

Prairie Farms Our Caps Your Cause!

This is a simple and easy way for individuals to be involved in their local Head Start program. Any funds received through the Our Caps, Your Cause will go to family engagement activities and enhancing educational experiences for children. Just buy a gallon or half-gallon of Prairie Farms brand white or flavored milk, and enter the code under the sticker on each cap. For each cap code entered, Prairie Farms donates 5 cents to our program! You can do this right from your own home, or send in the clean caps to school with your child.

To enter cap codes, go to:

<http://www.prairiefarms.com/our-caps-your-cause.aspx>

Select Education under the category, then "Tazewell Woodford Head Start" from the drop-down charity list for us to receive 5 cents for each code you enter.

THANK YOU! Please share!
