

Miss Julie and Miss Rachel

Monthly News

This month

Our new aide started this month; her name is Miss Renee. If you happen to see her, please give her a warm welcome! We have had so much fun learning about fall, apples, pumpkins, and the letter P this month. Our field trip to the pumpkin patch was a lot of fun; we got to play on their playground, take a hayrack ride, ride on their barrel ride, and each child got to take a mini pumpkin home. We have been working hard at practicing writing our names, learning letter sounds with ZooPhonics, playing with apple cinnamon playdough, "making pies" using recipe cards to count "apples", cups of oats, and cinnamon sticks in our sensory table, making shape apples, writing our names on apples, and stacking them on top of a picture of ourselves then counting how many apples tall our name is, and much more. We hope you are all enjoying the pictures I have been sending you through Learning Genie. If you haven't seen any of your child let me know and I will see if I can help you find them. We are looking forward to learning about turkeys, friendship, fall colors, and the letters f and t this month. We hope you all have a wonderful Thanksgiving!

1st Picture Day

3rd Happy 5th Birthday Mar'Lin

4th Happy 4th Birthday Olivia

4th and 5th Parent Teacher Conferences NO SCHOOL

7th Daylight Savings Time Set Clocks Back

11th No School Veteran's Day

12th No School Professional Development Day

15th Kindness Day

18th Policy Council 5:30pm

24th-25th No School Thanksgiving Break

29th Parent Committee at 5:00 p.m.

Something to Try at Home

Go for a walk to find leaves; have your child make leaf rubbings by putting paper over their leaves and using the side of a crayon to rub over the leaf. This helps with fine motor skills and eye hand coordination. You can also bring some science and literacy into this activity by labeling the parts of a leaf with your child and reading a book you check out from the library about leaves. Some good book suggestions are: *Autumn Leaves* by: Ken Robbins and *Why Do Leaves Change Color?* By: Betsy Maestro. Happy leaf hunting!!

Health or Nutrition News

As the weather gets cooler, please remember to dress your child for the weather. We will be going out to enjoy the fresh air as much as possible.

Please remember to wear your mask when you come in the building to sign your child in and out.
