

Miss Debbie and Miss Dawn

Monthly News for January

This month, we will be learning about animals in the winter, hibernation, and winter weather.

We will also be using a lot of creative ideas for indoor movement and exercise activities since typically in January, we experience bitterly cold weather that will force us to stay inside.

Please remember to send your child to school with a clean mask, as well as an extra in their bookbag every day. If your child comes home with a mask other than their own, that means that we have kept theirs here to wash.

It is helpful if you write your child's initials inside each of their masks.

Remember, if school is cancelled for inclement weather, the announcement will be made by our One Call system. If your phone number has changed since the beginning of the school year, please let us know so you won't miss out on important announcements.

If you have not accepted the invitation to Learning Genie, please do so as soon as possible. We also send important messages and classroom updates using this helpful tool.

January Dates

Jan 3rd: Return to School

Jan 17th: Martin Luther King/No School

Jan 20th: Policy Council 5:30

Jan 28th: PDD/No School

Something to Try at Home

We have been working on recognizing letter sounds. You can help teach your child this skill by pointing out objects whether you are at home, in the car or out and about. Say the word together, then ask your child what that word starts with. In the beginning, you might need to stress the beginning sound of the word yourself to help isolate that sound.

Health or Nutrition News

With the lack of sun during the winter months, it is especially important to be aware of the foods that are high in Vitamin C you can serve to your family. We have attached a list of ideas. You can find other ideas and great recipes online.

Remember, we will continue to play outside daily if weather permits. Be sure to send the appropriate outer wear every day.
