

Monthly News

This Month:

Hello! 😊

We hope everyone had a very Merry Christmas and a Happy New Year! We were so sad that we could not spend those last few weeks with your child as we had so many fun Christmas activities planned. But don't worry, we have a lot of fun things planned for the new year!

In January, we will be learning about winter and arctic animals. We have had a great time celebrating and learning about our previous Star Students: Elaina, Noah, Josslyn, Piper, and Amari. This month we will be celebrating Zayden, Camden, Uriah, Gage, and Charley! (We are trying to schedule their Star Student week around their birthday.)

Please remember to wash your child's face mask. We really want the students to stay healthy during this season.

If you have questions, please call.

Something to Try at Home:

We sent many Creative Curriculum Projects home while we were quarantined. You should have received the following: Gruffalo Book & activity, candy cane experiments, flat gingerbread man, snowman name activity, Christmas tree cutting activity, ornament decorating activity, winter break bucket list activities, Christmas scavenger hunt, Christmas memory book, January Reading log, January Get Moving log, January Language Log, & reindeer food! Remember to have fun & fill out the forms for each activity along with the Learn At Home Time Sheet.

Health or Nutrition News:

***Parents please remember that your child is required to wear a mask on the bus to school, please make sure they are ready and waiting with a mask every morning at pick up to ensure health and safety.**

Thanks so much!
