Monthly News for May

It is hard to believe this is our last month of school. We will be planting seeds soon. We are also working on Mother's Day gifts. We will be celebrating summer birthdays during the last week of school. Soon, we will be taking a walk around the neighborhood to look for signs of Spring. We are also planning a quick walk to Sav-a-lot to buy some ice cream treats. We have a watermelon poster in our classroom that are using to count down the final days of school! Each child will have a turn to take one seed from it. When the seeds are all gone, it will be our last day of school! I am planning to bring watermelon for all of us. The children are excited!
