This month

May is here already, hard to believe the school year is coming to an end. We have a lot going on this month and hope you will be able to join us for the fun activities. On May 6th we will be going to Glen Oak Zoo. The children are very excited about going and we hope you are able to join us. We also have activities planned for Head Start's 50th birthday, a night for those kiddos going on to kindergarten, and then our final day of the school year. We will be setting up our final home visits for the last week in May so that we can share all the wonderful things your child has learned this year. Thank you so much for sharing your child with us!

Important Dates

- May 6th Fieldtrip to Glen Oak Zoo
- May 8th Mother's Day

Fun at home activities!

With the end of the year coming, we just want to remind you that summer is a great time for families to work together to help prepare your child for the next school year. There are tons of learning activities on the web that can help with ideas.

Health News

Now is the time to start preparing for next school year. Make sure to contact your family service person to make sure you have all your health documents turned in and are ready to go in August.
