### This month

How can this be the last newsletter of the year? It just doesn't seem possible that summer is just around the corner! We had 14 baby chicks hatch over the last week and the kids have loved watching them grow! It is amazing how fast they grow and start to get their real feathers. They will be going to live on the farm very soon.

The last day of school is May 20<sup>th</sup>! We will be going to the park on May 19<sup>th</sup>, as long as the weather allows. There will be a note sent home soon with more information about that.

The week of May 23<sup>rd</sup>-27<sup>th</sup> we will be doing our last home visit/parent/teacher conference. Please keep an eye out for the sign-up sheet that will be coming home soon.

### Something to Try at Home

- ✚ If you have a sandbox at home, use a stick to write letters or draw shapes.
- ✚ Continue working on the Zoophonics Cards we send home.
- ✚ The kids love playing in shaving cream. Since the weather is getting nicer you can take this outside and not have the mess in your house. Have them write their names, letters, numbers, or shapes.

### Health and Nutrition

- ★ Please remember to call your child in if they are not going to be at school.
- ★ As long as the temperature is about 32 degrees with the wind chill, we will be going outside, so please send your child with a jacket if needed.
