### **This month**

**This is our last month of school! Time flies when you're having fun!**

**This month we are planning to study ponds and animals that live in or near them. We are continuing to watch our caterpillars and they are growing very fast. I think they will be in cocoons soon as they are beginning to travel to the top of the container and hanging upside down.**

### **Reminders:**

**May 12<sup>th</sup>-Kindergarten Transition Night 5-6**

**May 18<sup>th</sup>- Happy Birthday Head Start**

**May 19<sup>th</sup>- Policy Council @ 5:30 FC**

### **Something to Try at Home**
