

May Monthly News

April Showers Bring May Flowers

I am so proud of all the students in our classroom. They have studied multiple well-known fables and have worked persistently on retelling them to us. This is such an important skill as they begin to read and helps prepare them to comprehend the meaning of what they read!!!

For the month of May (I can't believe it is already here), we are going to be learning about seeds, flowers, and lifecycles of living things. We are also focusing on making good choices and how we all have the power to choose. I will be sending home more information about this soon. Additionally, we will be enjoying our last few weeks together as a classroom family playing outside and doing fun activities. The students have become so close to each other and us teachers. WE are going to MISS everyone!

If you ever have any questions or comments, please message us on Learning Genie or call 699-6843, and ask for Miss Melanie or Miss Ashley! Here are a few snapshots from last month!

Important Dates

May 5th Teacher Appreciation Day

May 8th Mother's Day

May 18th Head Start Birthday

May 19th Policy Council 5:30 (At the Family Center)

May 20th Last day of School
