

We are Safe!

We are Kind!

We are a Team!

Miss Tammy, Miss Jackie, & Miss Lindi

Important Dates

This month

We were excited to begin talking about warm weather in April! We introduced spring, clouds, rain, worms, planting, and recycling in honor of Earth day! The month of May will be exciting as we have our final weeks together. We will be learning about pets/zoo animals, community workers, and summer fun. We will be doing other fun activities as a class to create memories and celebrate our accomplishments this school year. At the end of May, we will be scheduling end-of-the-year Home Visits to wrap up the school year. We are sad to say our goodbyes but thankful for each moment we had with your children!

5/5- Teacher Appreciation Day 🍎

5/8- Happy Mother's Day

5/18- Head Start's Birthday

5/19- Policy Council @ 5:30

5/20- Last Day of School

Ice Cream Day!

5/24-5/26- Home Visits

Have a great

Vacation!

Something to try at home

This month, bugs and flowers will begin popping up all around. Take a nature walk with your child and have them count how many bugs and flowers there are. What color are the flowers? What kind of bugs are out? Identify the letter sounds of different bugs, such as A for Ant or B for Bumblebee!

You can even add fun activities such as clapping or singing for better engagement and skill development.

Health News

Remember to get any missing medical information for the school year 2022-2023.

Have a SAFE summer break!
