

May Creative Curriculum Activity

We have spent time this year working to learn letter sounds. This activity will help your child further develop skills and it will give them a chance show you how much he/she has learned! Please have your child choose 10 or more letters. Then give them a chance to think of a word that begins with the sound of each letter. You can record their responses next to the letter. You might have to assist them by giving hints of possible words. Please fill out the back of this sheet and return it as soon as possible this month. Thank you. Miss Debbie and Miss Dawn
