### This Month

**Welcome back to school! The past couple weeks we have focuses on our classroom expectations. We are safe, we are kind, and we are a team. Our class has also worked on family style meals by getting our cups, napkins, and utensils. We have worked on getting our own food and taking turns. We have been introducing centers, timers and recognizing our names on center tags. We also have been having fun playing ball pass where we pass the ball to one another and express how we are feeling for the day. We are loving Choosy and dancing to music. Choosy is teaching us about healthy foods and how to keep our bodies healthy! We also got to meet our classroom pet Sunday. She is a dwarf hamster, and we really enjoy her!**
