

Miss Dee, Miss Dawn and Miss Tiffany

September Monthly News

This Month

What a great start to the school year we are having. We will be continuing to work on our classroom expectations and getting to know your child better. They all have been doing a great job learning how to be safe, kind, and work as a team.

The children have shown so much interest in bugs, that we are going to start off with a bug unit. We will also explore other areas of nature as the child's questions and curiosity grows.

We will also be discussing weather as we will be doing our first tornado and fire drill this month.

Upcoming Events

September 5th---No School Labor Day

September 16th No School Professional Development Day

September 20th—Parent Committee @ 5:30

September 22nd—Autumn Begins

September 30—Completed Health Record drawing

Pyramid Model News

Here at Head Start each one of our classrooms follows the Pyramid Model for helping your child grow by providing research-based methods in social/ emotional growth. The first tier involves creating responsive and nurturing relationships with a high-quality supportive environment. Each day we focus on the positive your child is doing to help build their self esteem and continued growth of success. The language we use in the classroom is positive redirection, not pointing out the negative but the positive actions they are doing. Each month we will be sharing some positive ways we use the pyramid model and hope to share some tips with you.

Health or Nutrition News

Just a reminder if you have any updated health information it needs to be turned in to our health coordinator as soon as possible.

We are also encouraging the children to try all the foods we serve at breakfast and lunch. This is a great opportunity to discuss with your child what they ate each day, and what they liked and disliked.
