

Miss Julie and Miss Michele

Monthly News

This Month

The first two weeks of school have gone well. Everyone is learning the new classroom rules and routines and are making new friends. Thank you for sharing your children with us, we truly enjoy them all. We have been focusing mainly on social and emotional skills and will continue to do so for the first two weeks in September. The children have been learning about their feelings, the different breathing techniques, when to use those breathing techniques and how to solve social problems with their peers by using our solution kit. For the last two weeks in September, we will talk about fall, fall weather and apples since the first day of fall is on September 22nd.

Upcoming Events

September 5th – Labor Day

September 16th – PDD

September 26th – Parent Committee at 5:00 p.m.

Miss Debbie from the Hult Health Education Center will also be out this month to present information about Our Amazing Brain!

Pyramid Model News

Our class is working on sharing by passing bowls during meals, taking turns when two children want the same toy, and setting timers for center play when a center is full, but more children want to play there.

Health or Nutrition News

Miss Chelsey, our Health Coordinator, wanted to let everyone know that we are currently in Cold and Flu Season. Wash hands frequently to help reduced the spread of germs. She also wanted to remind you that children will have fluctuating temperatures with these illnesses, which is why they need to be fever free without medication for 24 hours to return to school.
