This Month

Thank you to everyone who made it to Orientation and brought their child in to see their classroom. I am sure it made them even more excited after seeing all the fun things in the room.

We have really enjoyed spending these first couple weeks getting to know your child. We have been focusing on our Head Start Hero expectations, we are safe, we are kind, we are a team. The children have really been picking up on it and are doing a great job telling us the expectations every morning when we go over them.

This month, we will work on getting the Brigrance screenings, and continue to work on our social and emotional skills. The children have been working very hard on sharing. We are working on getting all of our centers open and learning how to play in each one and clean up.

Upcoming Events

Health or Nutrition News

Miss Chelsey, our Health Coordinator, wanted to let everyone know that we are currently in Cold and Flu Season. Wash hands frequently to help reduced the spread of germs. She also wanted to remind you that children will have fluctuating temperatures with these illnesses, which is why they need to be fever free without medication for 24 hours to return to school.
