### **This month**

**This month we will be working on following our classroom routine and learning about rules at school and sharing and taking turns.**

**We will also be having fun with and learning about apples and colors.**

**We will begin our assessments on the children and see where they are in their development. Once we get this information we can begin working on needed skills in small groups.**

### **Reminders:**

**Sept. 5<sup>th</sup> – No School/Labor Day**

**Sept. 13<sup>th</sup> Parent Committee @ 5:30**

**Sept. 16<sup>th</sup> No School (PDD)**

### **Pyramid Model News**

**We are working on our expectations and classroom routine. We have been working on sharing and taking turns as well. We have teachable moments daily. One new skill we will be using is to ask for turns using a nice tone of voice and to answer someone who may ask you for a turn with a nice tone of voice and answer. For example, if you just started to ride a bike and another child asks you for a turn, you can tell them nicely, “in a minute, when I’m done,” instead of saying no or just giving it to them. The children are beginning to learn new language skills to express themselves and get along with others.**

### **Health or Nutrition News**

**Make sure that if your child is sick to keep them home until they are symptom free for twenty-four hours. We are learning about being healthy through “Choosy Kids”. You can try to search for some of Choosy Kids videos and songs online if you would like to check him out. Choosy kids YouTube, <https://www.youtube.com>**
