

September

Monthly News

Miss Tammy, Miss Alexis, and Mr. Stephen

This Month

In August, we learned about our daily schedule and Head Start expectations. For September, we will continue going over our expectations while beginning fun fall activities! With the season changing, please dress your child appropriately for the weather. As it gets colder, we will continue to go outside if the windchill remains above 32 degrees. We are so excited for this school year and to see what it will bring! Stay tuned through Learning Genie and your child's folder for any news or updates. Parent Committee will begin September 22nd for those who wish to attend! Our Family Resource Room is open and full of donations.

Upcoming Events

September 5th – Labor Day/ No School

September 16th – Professional Development Day/ No School

September 22nd – Parent Committee at the Family Center at 5:30 p.m.

We are very excited that Miss Alice from the Fondulac Library will come read stories to our students this year! She will come on the second Thursday of each month!

Miss Debbie from the Hult Health Education Center will also be out this month to present information about Our Amazing Brain!

Pyramid Model News

In the classroom, we are working on our Head Start expectations of being SAFE, KIND, and A TEAM! Our expectations come from the Pyramid Model used throughout the program to help teach problem-solving and social-emotional skills. We use these expectations throughout the classroom and school by sharing, taking turns, using safe hands/feet, and by being kind friends to everyone around. We will continue working on our expectations every day throughout September, focusing more on the expectation to be safe.

Health or Nutrition News

Miss Chelsey, our Health Coordinator, wanted to let everyone know that we are currently in Cold and Flu Season. Wash hands frequently to help reduced the spread of germs. She also wanted to remind you that children will have fluctuating temperatures with these illnesses, which is why they need to be fever free without medication for 24 hours to return to school.
