

September Creative Curriculum

Please have your child color the attached tree trunks. Then, using the leaves we have included, please work with your child to glue the correct number of leaves to each tree according to the numeral on each page to create a fall counting book. This activity will help develop skills in the area of:

Math/Science:

1. Number & Numerical Operation
 - 1.1 Functional Counting**
 - 1.2 Numerical Operations**

Please send back your child's book along with the bottom of this note signed and filled out.

Thank you,

Miss Debbie and Miss Mary
