

Ms. Tammy and Ms. Lindsey

September Monthly Newsletter

This month

The month of September, we are going to focus on All about us. All about us activities are a fun way for kids to explore themselves: their characteristics such as their hair, skin, eyes, and well as their differences and similarities. We will also focus on program expectations, our emotions, and feelings. We will model breathing techniques and practice safe ways to handle our big emotions. During the month we will be building connections with your child and find out their interests and talk about what they would want to learn about in the months to come. We will update you on the field trip, our plan is the Roth Pumpkin farm in the end of September or beginning of October. We will also give you a 2 week notice so you can plan to join.

Happy Birthday

Elaina 9/2

Luna 9/8

Lincoln 9/9

Nicholas 9/12

Zoey 9/28

Dates to Remember

9/5 Closed- Labor Day

9/12- H&V Screening
