

This Month

We had a lot of fun in October learning about pirates, fruits & veggies, spiders, and pumpkins! For the month of November, we will continue to do some fall activities including more about pumpkins, leaves, Thanksgiving, and much more!

We will still be working a lot on social emotional skills, but we will begin to do some more academics as well. We will be learning name writing, math skills, and science!

We are excited to celebrate a lot of birthdays this month! We will have birthday hats and certificates and they also get to pick a prize out of the birthday bag! We will sing Happy Birthday and blow wishes!

Pyramid Model News

We have been working on our school expectations: We are safe! We are kind! We are a team!

WE ARE A TEAM! Please please please turn in a family photo for our school family wall! It is a great way to show that we are a team and also for the kids to look at if they are missing their grown ups!
