This month

This month we are going to be having fun with fairy tales and working on our manners. We will also be doing a unit on Thanksgiving and what we are thankful for. At the end of our manner's unit, we will be putting our manners to work while celebrating with a tea party. The tea party will include using real tea party serving dishes. We will be drinking juice as tea and have cookies, crackers and a variety of berries.

Pyramid Model News

We have been working on being a team and being good friends. This includes what we call, "Sunshine circles". The students love doing activities that encourage them to cooperate with each other. An example of this is pairing up in teams and doing things like blowing a feather to a friend who will catch it and blow it back so the other one can catch it or holding hands and trying to roll together across the floor.

Health or Nutrition News

Make sure that if your child is sick to keep them home until they are symptom free for twenty-four hours. We want to try to keep all children healthy. We are learning about being healthy through "Choosy Kids". You can try to search for some of Choosy Kids videos and songs online if you would like to check him out.
