

Turkey Creative Curriculum Project

In class, we have been working on writing our names and recognizing the letters in our names. Here is a fun activity for your child to work on at home. We have attached an outline of a turkey body. Have your child cut it out the turkey. We have also attached a sheet of feathers that need to be cut out. Help your child spell his/her name on a feather and glue it to the turkey. Have your child tell you the letters and the sounds each letter makes. Keep going over them and when you are done send it to school so we can hang it up. If you have any questions or need supplies, please let us know!

Happy Thanksgiving,

Miss Peggy & Miss Morgan
