

Miss Peggy & Miss Morgan's November 2022 Newsletter

This Month

We have noticed the leaves changing colors on the trees. The children have become very interested in why this is happening. We will explore the colors of fall and why trees change this month. We will go on a leaf collecting walk and sort leaves by shape, color and size. We will then make a leaf collage for our classroom.

We will end the month learning about what it means to be thankful. We will discuss all the things we have to be thankful for and ways to help others to be thankful too.

We will talk about turkeys and how they are different than other birds and paint with turkey feathers.

Upcoming Events

Happy Birthday To....

Important Dates:

November 2 Parent Committee 5:15 p.m.

November 4 No School PPD

November 8 No School Election Day

November 11 No School Veteran's Day

November 23-25 No School Fall Break

What Does it Mean to Be Thankful?

Discuss as a family what it means to be thankful. Use examples like, "I am Thankful for Having You to Love", or "I am Thankful for Your Hugs". Encourage them to think of things that they are thankful for such as toys, food, people and place. Record the answers on pieces of paper and have them draw a picture and then staple it together to make a book about your "Thankful Family".

Health or Nutrition News

With the temperature change we ask that you send a jacket with your child each day. We go outside first thing in the morning before breakfast and the mornings can be quite cool. Please dress your child for the weather. We encourage you to let your child choose their own clothes, but please give them seasonal appropriate clothing to pick from.
