

Miss Sarah, Miss Kira, and Miss Desina

NOVEMBER NEWS

This Month

For October, we have been learning about pumpkins, corn, and apples. We were able to cut open a pumpkin to see what was inside and the children were able to touch and explore the pumpkin. They all loved it. We also put corn instead of sand in our sand table and they were able to play with their shovels and bowls to scoop the corn up. We read 10 apples on top story, and they all got to try and balance an apple on their head as Miss Sarah took pictures of them. They had a lot of fun doing that! November we will have more fun activities as the holiday seasons arrive. Stay tuned through Learning Genie and your child's folder for any recent activities.

Upcoming Events

11/4- No School Professional Development Day

Pyramid Model News

Daily we work on our Head Start expectations to be **SAFE, KIND, and A TEAM**. We focus on being a kind friend and being safe in and out of our classroom. Our expectations come from the Pyramid Model, used throughout the program to help teach problem-solving and social-emotional skills.
