## Monthly News

**Miss Tammy, Miss Alexis, and Mr. Stephen**

### This Month

For October, we had great time building relationships and exploring the classroom materials more as a team. The children had so much fun on our field trip to Roth's Farm! We will continue introducing more Autumn/Fall fun as the season is here. We have learned about pumpkins, corn, and spiders with some Halloween fun! Miss Tammy let the children draw faces on our "big" pumpkin as she carved them out. November will have more fun activities as the holiday seasons arrive. Please note there are dates of *No School, Fall Break, and even Picture Retakes!* Stay tuned through Learning Genie and your child's folder for any recent activities.

**We are Safe. We are Kind. We are a Team.**

### Pyramid Model News

Daily, we work on our Head Start expectations to be SAFE, KIND, and A TEAM! Our expectations come from the Pyramid Model, used throughout the program to help teach problem-solving and social-emotional skills. For the month of October, we focused on being KIND and using kind, but also safe actions. For November, we will continue being safe, kind and focus on being a TEAM! Please look for our Learn-At-Home activity and more to stay tuned!
