

November Monthly News

This Month

The start of November, we will be focusing on number and letter recognition along with amounts and letter sounds. We will then look at the changes happening outside and how the trees are changing along with the weather. We will take a fall scavenger hunt, make leaf art, and count acorns. We will then focus on Thanksgiving and what being thankful means. We will also create snacks by using teamwork, sharing, and kindness and then as we eat, we will discuss how thankful we were for all of us working together to make this delicious snack.

Upcoming Events

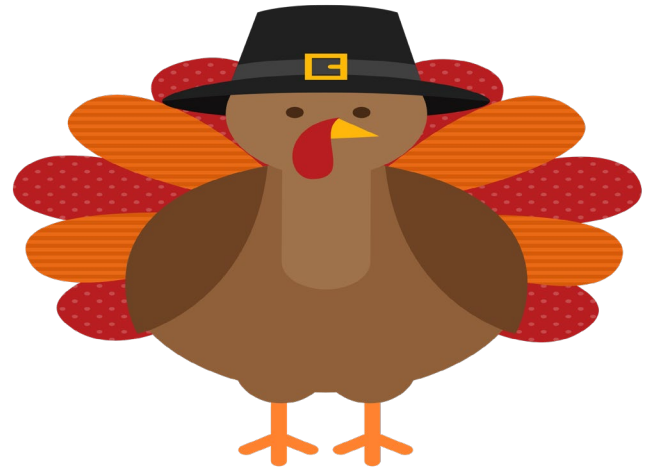

Nov 2nd Parent Committee

Nov. 4th Prof. Dev. Day

Nov. 8th Election Day

Nov. 11th Veterans Day

Nov. 23rd -25th Thanksgiving Break

Pyramid Model News

We will be sending home a feeling chart for you and your child to use at home to discuss how they feel. You can attach it your fridge within reach for them to utilize. They can use the magnet dot to mark the feeling that they are feeling. You can discuss with them the feeling they are having and why they feel this way. You can also allow them to change their feeling chart when their feelings change throughout the day since we know from experience that feelings change. This will give you many more times to talk to them about their feelings to help them understand them.

Health or Nutrition News

Cold and flu season is here so I attached this cute little song video about keeping ourselves healthy that the children will enjoy watching. It is a song with many healthy reminders they can do at school and home. <https://www.youtube.com/watch?v=bFtnOTGDm2Y>
