January Monthly News

This Month

Happy New Year! Welcome 2023! Hard to believe we are in the new year already; we hope you all had a good break. This month we will be exploring snow and how it's made. We will then investigate cold weather animals such as penguins, bears, and their habits. Writing our name, alphabet, number recognition and same and different will be our focus this month. Just a reminder if you are vaccinated, we would still love to have you come in and visit our classroom.

Upcoming Events

Return to school January 5th

January 15th—No School Martin Luther King

January 19th—Policy Council

Pyramid Model News

The kiddos have done a great job with our kindness tree in December, so we are going to continue this month with our "Sharing Snowman". Every time we catch one of the children sharing, we will add a snowball (construction paper circle) to our build a snowman board. Once we have the snowman built we will celebrate with a special surprise.

Health or Nutrition News

Just a reminder about snow precautions. It doesn't take much for frostbite to set in on exposed skin. As the kiddos will want to play in snow keep in mind that hats, gloves, and layering clothing are a good way to keep them safe and healthy. If you need any extra winter items, please make sure to let us know so we can help get some to you.
