

Monthly News January

This Month

Please remember to send back a change of clothes for your child. All summer change of clothes were sent home in December in your child's bookbag. We will focus on Winter and snowmen this month. We will have lots of fun activities planned. Hopefully we get some snow so we can melt it here in the classroom as a science experiment. Please remember to dress your child warm, January usually sends some pretty frigid temperatures our way.

Upcoming Events

January 4th Professional Development Day/ No School

January 5th Return to class

January 16th No School MLK Day
