

Miss Julie, Miss Michele, and Miss Melissa's Learn At-Home Project

We will be working on rhyming to help support early reading skills. This month, please work with your child to collect 3 sets of items from home that rhyme. In total, there should be 6 items in the bag that we have included. Please send the rhyming collection and this note back as soon as possible in January. The items will be returned.

Thank you,

Miss Julie, Miss Michele, and Miss Melissa
