

May News

This Month

It's hard to believe that the school year is almost over. This month, we will discuss being friends like in the story Stick and Stone. We will also have a Pete the Cat week, discuss summer safety, and during the last week of school, we will have a fun week planned by our parent committee. The children will get to make ice cream in a bag as a fun science experiment. To end our last week, we will sign autograph books that we made for each child to take home. We will be contacting you soon to schedule your end of the year home visit. Thank you for sharing your child with us, we have had a great year!

Pyramid Model News

We are working on problem solving and our Head Start Superheroes; We are Safe, We are Kind, and We are a Team. You will see certificates in your child's bookbag or a sticker that says I was a Head Start Hero today; ask me about my day. This is a great opportunity to talk to your child about how they were a Head Start Hero that day.

Health and Nutrition News

With Spring finally here comes the nice weather! Getting kids outside to play and in the sunshine is a great way for them to stay active and get some energy out. Below are just a few ideas that you can do with your kiddos outside to keep them active:

- Play with bubbles and have them chase the bubbles.
- Play Hopscotch
- Build an obstacle course.
- Do a scavenger hunt and have the kids find things matching a color or letter.
- Go on a walk/hike
- Play a game of tag
