

May News

This Month

It's hard to believe the end of the year is almost here. Our recycling unit has been so much fun. The kids have been working together to create solutions on how to turn boxes into our own cardboard village. They have also been gathering items from all over the room to put in our recycling box. We have decided once our box is full, we will have a recycling celebration. Our fieldtrip is coming up on May 11th. Please remember to let us know if you will be attending. We ask that only adults join us, as this is meant to be a special time for you and your child.

Pyramid Model News

In line with the pyramid model the kids have done a great job taking turns and working together to problem solve. When teaching ways to problem solve it builds up self esteem and promotes teamwork.

Health and Nutrition News

With Spring finally here comes the nice weather! Getting kids outside to play and in the sunshine is a great way for them to stay active and get some energy out. Below are just a few ideas that you can do with your kiddos outside to keep them active:

- Play with bubbles and have them chase the bubbles.
- Play Hopscotch
- Build an obstacle course.
- Do a scavenger hunt and have the kids find things matching a color or letter.
- Go on a walk/hike.
- Play a game of tag.
