

Miss Lynel and Miss Carol's May Learn At Home Activity

We have been working on writing names in class. Please work with your child to write their name on the attached sheet and name the letters as he/she writes them. This promotes correct formation of letters, letter recognition, fine motor skills, and helps with reading and communication skills. Please complete and return this sheet to the school when finished.

What letters in your child's name could he/she name?

Did your child hold the pencil with a fist grasp, 4 point grasp, or a fist grasp? (please circle one)
