

May News

This Month

It's hard to believe it's the last month of school. We have had such a fun time with your children, and we will miss you all! For the month of May, we will be doing a unit on under the sea. We will also review some of the lessons we have worked on in the past months. During the last week of school, our parent committee has planned fun activities each day of the week!!

We are excited to announce that we will be going on our field trip to the farm park on the 18th of May. A note will be sent home with more information soon. We hope you can all join us for a fun filled day!

We are Safe! We are Kind! We are a Team!

Pyramid Model News

We have learned so much throughout the year about being a good friend, being helpful, and being Head Start heroes. We have learned about how to problem solve, share, and take turns. I feel like our classroom has done very well with this and hopefully they can carry these skills with them throughout their school years to come. I am proud of our students and the growth they have shown.

Health and Nutrition News

With Spring finally here comes the nice weather! Getting kids outside to play and in the sunshine is a great way for them to stay active and get some energy out. Below are just a few ideas that you can do with your kiddos outside to keep them active:

- Play with bubbles and have them chase the bubbles.
- Play Hopscotch
- Build an obstacle course.
- Do a scavenger hunt and have the kids find things matching a color or letter.
- Go on a walk/hike.
- Play a game of tag.
