Minutes: We discussed options for the end of year activity for the kids. We are still looking at pricing for the bouncy houses. The committee also discussed movie day again and a t-shirt project. The committee will decide on an option when we get an updated quote on bouncy houses. We hope to do this on Friday, May 5. We discussed our parent letter regarding the parent activity and sent the letter for approval. The parent activity is Show Me Dough. This will run from 4/17-4/28 with pick up scheduled for May 2023 before Mother's Day. We also discussed where we could place TWHS flyers to promote the 2023-2024 school year.

Classroom Updates:

- Sarah/Kira/Desina: We will be talking about how to be safe in the summer, a bug activity, and gardening. We may do a water day and working to see if Kona Ice can come.
- Courtney/Rachel: In May we are focusing on bugs, places we live, and pets. We will be having a messy art and ice cream day with t-shirt signing.
- Tammy/Alexus: We are learning about our bodies and will soon start learning about buildings. We also will learn about bugs and gardening. We will continue to work on social emotional skills with problem solving and finding resolutions.
