

Katherine and Jackie's May Learn At-Home Activity

Our Learn At-Home Activity for this month will focus on cutting and patterning. This activity will help the children work on fine motor skills, math skills, and cognitive thinking. Please have your child cut out the pictures first. Then, glue them on the chart to continue making an AB or ABC pattern. For example: AB pattern- red, blue, red, blue; ABC pattern- red, blue, yellow, red, blue, yellow.
