

May News

This Month

We have been talking about flowers and bugs for the past week. We will continue to talk about them till the end of the school year. The kids have lima beans that we have been watching sprout. They have enjoyed checking on them to see how much they have grown. We will be talking about summer safety the next couple weeks. We will talk to them about being safe on their bikes, being safe around water and being safe when going for walks. We are going to be playing a lot outside and enjoying the weather as much as we can. Please dress your child for play and for the warmer weather. What a great year we have had. We have had so much fun being a Head Start Family this school year! 😊

WE ARE SAFE. WE ARE KIND. WE ARE A TEAM.

Health and Nutrition News

With Spring finally here comes the nice weather! Getting kids outside to play and in the sunshine is a great way for them to stay active and get some energy out. Below are just a few ideas that you can do with your kiddos outside to keep them active:

- Play with bubbles and have them chase the bubbles.
- Play Hopscotch
- Build an obstacle course.
- Do a scavenger hunt and have the kids find things matching a color or letter.
- Go on a walk/hike
- Play a game of tag
