# May News

## This Month

**We can't believe it's already May! This month is going to be filled with fun! We have been learning about water and will continue that this month. We have activities including making bath bombs, painting with watercolors, making sensory bottles, and more. We will then move into plants and insects. Don't forget about Kindergarten Send Off on May 11<sup>th</sup>! We are so proud of our Kindergarten bound kiddos and are going to miss them so much! We have a fun day planned at the Family Center on the 12<sup>th</sup> to celebrate the end of the year. The kids have also been working hard on Mother's Day gifts and our field trip to the park is May 15<sup>th</sup>! We will have a delicious treat on Head Start's Birthday and then, it's the last day of school!**

**HAVE A GREAT SUMMER!**

## Pyramid Model News

**We have been working on being kind, safe, and a team all year! We sent home a flyer about doing a kindness week and have been practicing in the classroom as well. We have been learning about how to be safe with our pet, Herman Sparkles! The kids have enjoyed taking great care of him. We also had a game day where we worked as a team to play different games! We hope your child continues being a Head Start Hero over the summer and into the next year!**

## Health and Nutrition News

With Spring finally here comes the nice weather! Getting kids outside to play and in the sunshine is a great way for them to stay active and get some energy out. Below are just a few ideas that you can do with your kiddos outside to keep them active:

- Play with bubbles and have them chase the bubbles.
- Play Hopscotch
- Build an obstacle course.
- Do a scavenger hunt and have the kids find things matching a color or letter.
- Go on a walk/hike
- Play a game of tag
