

Monthly News

Miss Dee, Miss Michele, & Miss Melissa

September

This Month

We have had a great couple of weeks so far, and everyone is adjusting well. Many friendships are already being made. For September, we will be starting with an All About Me unit. We will explore our differences and likenesses along with our emotions.

Later in the month, we will start our tree and plant unit. We will explore different plants and how they grow, and vegetables and fruits and how they are important to keep us healthy. If anyone has a garden and wants to bring in any plants you have grown to show the kiddos, please let us know. We will be growing basil and oregano in our room (hopefully).

Important Dates

9/4- Labor Day/ No School

9/8- Grandparent Event/ Look for a flyer with more information to come home soon!

9/12- Dental Sealants @ the Family Center (9:00 a.m.-1:00 p.m.)

9/22- Professional Development Day/ No School

9/25- Eureka Parent Committee @ 5:30 p.m.

Pyramid Model News

To help children better understand their feelings, we model by giving them the words to use when expressing themselves. When crying, we use the word sad. When yelling, we use the word angry or frustrated. Giving children the words to use, instead of just displaying the emotion, helps them to communicate their needs to others. It also helps them calm down as they process the words they use. Modeling this at home with your own feelings will help your child understand that everyone has emotions and healthy ways to express them.

Health News

Please remember that it's very common for your child to get sick the first few weeks of school, because they are in a new environment. Practice extra hand washing like we do at school and call your child in, at 699-6843, if they are running a fever or not feeling well.
