

Miss Sarah, Miss Kira, Miss Aubree

Monthly News/September

This Month

This month, we will be talking about the dentist, and we will start brushing our teeth. They get to all meet the dentist here in about a week. We are going to keep talking about good friendship skills and how to be kind to each other. We will be opening our sand and water table during center time next week. They will get to play with our new shovels and buckets with the sand. The water table will have magnetic fish in it with fishing rods to catch the fish. We will be going outside as much as we can this month so remember to dress for play. 😊

Health News

Please remember that it's very common for your child to get sick the first few weeks of school, because they are in a new environment. Practice extra hand washing like we do at school and call your child in, at 699-6843, if they are running a fever or not feeling well.
