Miss Melanie and Miss Dawn

This Month

WE have had an amazing start to the 2023-2024 Preschool year. Our classroom is doing *absolutely fantastic.*

For the month of September, we are going to focus on getting to know more about each other. Towards the middle of the month, we are going to learn about apples. We will also be having a show-n-tell day and making homemade applesauce. Please feel free to come in and help anytime.

Additionally, thank you for making sure your child has extra clothes in their back packs!!

You can reach us at 309-699-6843 or on Learning Genie!

Pyramid Model News

We are learning to label and recognize emotions in our classroom. I have attached a Backpack Connection Series for you to read. It explains some new ways teach your child to learn to express emotions in a positive way. 😊

Please remember that it's very common for your child to get sick the first few weeks of school, because they are in a new environment. Practice extra hand washing like we do at school and call your child in, at 699-6843, if they are running a fever or not feeling well.
