

February News

This Month

In February, we will be continuing to dive deep into our water unit! We will also be learning about friendships and the rainforest. We have a variety of fun and educational themed centers and small group activities. The children really love learning the letters with the Zoophonics cards and learning through play.

We will go outside as long as it is above 32 degrees with the windchill, so please send in coats, hats, and gloves.

We will also begin re-accessing the children to prepare for Parent-Teacher Conferences coming up at the end of February and the first of March. We can't wait to share your child's growth with you!

Pyramid Model News

This month, we will be talking about friendships and how we are all friends at school. While we are working on building friendship skills, we will discuss and model ways to be a friend. During center time, we will practice taking turns, trading, and using a peer buddy system.
