February News

This Month

How is it February already? This school year is just flying by! Before we know it the end of the year will be here, but let's not think about that!

This month, we will talk about friendship, love, and dental health. February is dental health month. We will also send home more information about Valentine's Day soon!

Please remember that if the temperature is above 32 degrees, we will be taking the children outside to play. Please send hats, gloves, and coats to accommodate the weather.

Also, please make sure that your child has an extra set of weather appropriate clothes here at school.
