

Pekin Parent Club Minutes

Date: Feb. 20, 2024

Members in Attendance: Cleo Sisco

Staff in Attendance: Lindsey Markle, Kim Severns

Dinner: Adults: La Festa (Taco Bar)

Children: KFC (Chicken Tenders, Fries, Corn)

Guest Speaker: Deb Harris

Minutes: Ms. Kim went over upcoming events. We talked about Easter. We suggested that maybe this year we will buy something special for the classroom for Easter instead of filling eggs. If we fill eggs, we will accept any eggs from our parents. Parent Club will buy things to put inside, for example: bubbles, stickers, tattoos. We are not having any candy. We tabled this idea until we had more members to vote. Ms. Deb talked one on one with Cleo about dental and health things. Due to the low number of attendees, I asked Ms. Deb if she would come back next month and be our guest speaker.

Classroom Updates:

Debbie/Alexus-This month, we will be learning about keeping our bodies healthy through exercise and healthy foods. We have planned some fun games and yoga exercises that your child can teach you at home.

We are also planning to have fun with a couple of cooking activities. We will be calling all the parents to set up a time for your parent teacher conference. With warmer weather on the way, we are looking forward to spending more time outdoors.

Lynel/Becky- This month we have been learning about our bodies and how to stay healthy. We've talked about the brain, heart, and lungs. We talked about the importance of wearing a seat belt and bicycle helmets. We also celebrated Valentines Day. We will be doing units on the 4 seasons and Dr. Seuss. Be on the lookout for some red and white strips of paper in your child's book bag. We will have you read books to your child and write them down on the strips.

The strips will then be placed on the cat in the hat to make his hat grow. We hope to reach the ceiling so please send them back to school. If you have not set your time for the conference, please do so as soon as possible. Thanks for all you do!

Becka/Amber-Our class is exploring water. We are exploring by investigating the different ways we use water, and the different forms water comes in. We will discuss the dentist as we prepare for the dental visit. We will be celebrating Valentine's Day with fun activities and a special snack.

The friendship goal we are currently working on is sharing/taking turns. After collecting all 10 cotton balls on our snowman, we will have a slushy party! Ways to help your child with this goal at home are by playing games or having them wait to do something.

Kristi/Alexis-

Make it, take it: Due to attendance being low, we will do our Make it, take it project next month.

Door Prize Winner: Cleo Sisco

Next Meeting Date: THURS. March 14 @ 530.

We have changed the meeting from a Tues. to a Thurs. next month.

Food Request:

Meeting Adjourned: 6:30
