February News

This Month

For the month of February, we will focus on Friendship skills that create opportunities to celebrate Valentine's Day. This month, we will celebrate Black History month. This will help the children learn and understand diversity within our community, in addition to National Dental Month where we will focus on activities that help us learn how important dental health is to our bodies. To end this month, we will do activities that focus on winter animals.

Pyramid Model News

This month, we are working on building friendship skills. We will practice these skills by working as a team during activities, and discuss and model ways to be a friend. During centers, we use fair ways to play like taking turns, trading, and using a peer buddy system for the children that have difficulties entering play.
