

This Month

During the month of April, we will continue to learn about Spring Things. We will focus mostly on birds and flowers. We will continue to gather observations keeping our end of the year conferences in mind. Our school year is passing by so quickly, but we still have a lot of fun and learning to come.

Please be sure you are checking your Learning Genie notifications. We have sent several photos and simple activities you can do to help support your child's skills.

Pyramid Model News

We have been working extra hard on catching our friends being kind. We have a pot of gold on the wall in our hallway. Each time a child is caught being kind, they get to put a gold piece labeled with their act of kindness in the pot. Ask your child what they have done to be kind.
