

This Month

How is it April already? This school year has flown by! The children really enjoyed getting to go on a hunt for Lucky the Leprechaun! He really had fun destroying our classroom, turning the toilet green, and making our milk green!

Now we are going to start talking about spring, The Very Hungry Caterpillar, and butterflies. We are so thankful that the weather is going to be getting warmer, and we will get to enjoy it!

Important Date

3/25 - 4/1 No School/ Spring Break

Pyramid Model News

We are continuing to work on problem solving. We are working on noticing when there is a problem and how to work through it and coming up with a solution. Talk to your child about how they can work through problems at home and see if they can come up with solutions.
