Teacher Updates: We have been very busy the last few weeks! We spent 2 weeks talking about apples. The kids loved getting to taste red, yellow, and green apples! We also had our sensory table set up for them to make apple pies with oatmeal, cinnamon sticks, mini pie tins and pretend apples. We are now starting to talk about pumpkins. We will talk about all the things we can make out of pumpkins and how they grow. We will have a special science experiment on Halloween, so be sure to ask your child about it. We are continuing through the alphabet; the kids really love the animals that go along with the zoophonics letters. We have also been working hard on problem solving and trying to come up with a solution.
