

Candy Corn Number Match

October Learn At-Home

Miss Erin and Miss Kaeli

This activity is intended to help your child practice number recognition and matching numbers to quantities. Cut out the cards and ask your child the name of each number. Next, encourage your child to match each number card to the ten frame card with the correct quantity. Keep the cards to practice at home all year!

* Please circle the numbers your child was able to name.

1, 2, 3, 4, 5, 6, 7, 8, 9, 10

* Please circle the numbers that your child was able to match to a quantity.
