

Monthly Newsletter

November

Ms. Courtney, Ms. Michele, Ms. Bailey

This Month

Hello!

It is hard to believe it is already November! We have been learning a lot this past month. We have been continuing our letters, shapes and colors. We have started numbers and number recognition, patterning and sorting. We have done a lot of fun activities including a pumpkin sizzle science. In November, we will be focusing a lot on writing our name and starting to write numbers. Stay tuned for more science and crafting!

Pyramid Model News

We are working on problem solving and how to solve problems between one another. We are using our pyramid box and our puppets to create problem solving scenarios.

Health & Nutrition News

Early Childhood Mental Health Awareness Month is celebrated in November and focuses on infants and preschoolers learning the skills needed to be emotionally connected to their world. For more information, please see the link below.
